

City of Chadron Cross-Connection Control Survey

State law **Title 179** requires consumers of public water supplies to inspect their facilities not less than once every five years. Completing and returning this form fulfills that requirement.

For your convenience, no postage is required. Just simply re-fold the page so that the City of Chadron address is visible on the front and mail the form or just drop it off down at City Hall located at 234 Main Street.

If the City does not receive this survey, an on-site inspection must be performed by City of Chadron water department personnel.

This City thanks you very much for your timely cooperation in completing this survey.
